Kuala Lumpur Convention Centre Sets to Create an Impact

Kuala Lumpur Convention Centre (KLCC) is the latest addition to the list of world class convention centres in Malaysia. Located in the heart of the city, KLCC is set to be the premier venue for international conventions, exhibitions and meetings.

The Kuala Lumpur Convention Centre is a project of the Malaysian Government and is developed by Kuala Lumpur Convention Centre Berhad, a wholly owned subsidiary of Petroliam Nasional Berhad (PETRONAS). The Centre is managed by Malaysian Convention & Exhibition Bureau (MyCEB).

The Centre has been designed to accommodate a wide range of events, from small meetings to large conventions and exhibitions. It has a total built-up area of 1.5 million square feet and is equipped with the latest technology and facilities.

The Centre has been designed by the world renowned architect, Cesar Pelli & Associates, USA. The design is inspired by the Malaysian culture and heritage. The Centre has been designed to be a landmark building in the city.
