TERIMA KASIH

A BIG THANK YOU TO INNOGEN SDN BHD!

Dear Yin Yin & Fai,

Thank you for your expertise and professionalism and the quality of your installations during the recent GST EXPO & CONFERENCE 2014. You have allowed us to enjoy the best of this event.

Despite the fact that the lead time for the preparation was very short, we would like to express our gratitude for your unfailing service to us as the host of the GST EXPO & CONFERENCE 2014. We greatly appreciate your efficiency in providing best services.

Thank you for being patient with us for the late night setups, delays in submitting documents/confirmation, and coping with many last minute changes.

As we complete this event and progress, we hope that we continue to reap more success and that our partnership will last years to come.

Thank you again!

Regards,

YY Choy
