Subject: Thank you

Dear Feyond and Jim,

I hope you both had a lovely weekend.

Thank you both for all your help for OGI 2015.

Jim especially, you were as always absolutely wonderful to work with, you were extremely helpful throughout all the pre-show set up, admin, always on the ball and great at getting back to my exhibitors, Amy and myself quickly.

Jim you were also amazing onsite and an absolute pleasure to work with, thank you so much for all your hard work and helping the show to run smoothly.

Please can you send me the final invoice so I can hand into my accounts team for payment.

Rae is working on the tenders for OSEA and Offshore Korea and will send to you in the next few weeks.

I hope you both have a great week.

Thanks so much,
Camilla Tew | Overseas Events Manager
